Copyright © 2022 Tripp Lite. All rights reserved.

Important Safety Instructions

- Do not attempt to service or repair the product yourself; leave any and all service work to qualified experts
- Do not open the device or continue to operate it if it becomes damaged
- Do not modify the product in any way; doing so voids the warranty
- Keep this product out of the reach of children

Product Features

- Three USB-A ports, two USB-C PD 20W ports and one USB-C PD 60W port
- Provides up to 5V, 2.4A of power per USB-A port
- USB-C ports support Power Delivery for quick and efficient charging
- Removable brackets allow customization of unit's storage space according to number and size of devices being charged
- Doubles as a USB charger and storage device, providing space to neatly organize devices as they charge and to store divider brackets and power supply when charging is finished
- Provides overheating, overcurrent and overvoltage protection

Package Contents

- U280-006-C3A-ST USB Charging Station
- 20V/6A External Power Adapter
- NEMA 1-15P Power Cord
- Removable Storage Brackets (x9)
- Quick Start Guide

Optional Accessories

- M100-Series USB to Lightning® Cables
- M110-Series USB to Apple® 30-Pin Cables
- U030-Series USB 5-Pin Mini-B Cables
- UR030-Series Reversible USB 5-Pin Mini-B Cables
- U038-Series USB-A to USB-C Cable, USB 2.0
- U040-Series USB-C to USB-B Cable, USB 2.0
- U420-Series USB-C Cable

Removable Storage Brackets

Customize the unit's storage space according to the number and size of devices being charged. To install, simply insert a storage bracket into the desired slots.

USB Charging

To charge USB devices, simply connect the included external power supply and power cord to the U280-006-C3A-ST and to a power source, then plug devices into the available ports. The three USB-A ports provide a maximum of 5V, 2.4A of power. The Quick Charge 3.0 Port supports Quick Charge 3.0 Class A technology 5/9/12V. Two USB-C ports support PD Charging up to 20W, while one USB-C port supports PD Charging up to 60W.

Regulatory Approvals	RoHS, REACH, CE, FCC

Warranty and Product Registration

1-Year Limited Warranty

TRIPP LITE warrants its products to be free from defects in materials and workmanship for a period of one (1) year from the date of initial purchase. TRIPP LITE's obligation under this warranty is limited to repairing or replacing (at its sole option) any such defective products. To obtain service under this warranty, you must obtain a Returned Material Authorization (RMA) number from TRIPP LITE or an authorized TRIPP LITE service center. Products must be returned to TRIPP LITE or an authorized TRIPP LITE service center with transportation charges prepaid and must be accompanied by a brief description of the problem encountered and proof of date and place of purchase. This warranty does not apply to equipment, which has been damaged by accident, negligence or misapplication or has been altered or modified in any way.

EXCEPT AS PROVIDED HEREIN, TRIPP LITE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some states do not permit limitation or exclusion of implied warranties; therefore, the aforesaid limitation(s) or exclusion(s) may not apply to the purchaser.

EXCEPT AS PROVIDED ABOVE, IN NO EVENT WILL TRIPP LITE BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THIS PRODUCT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. Specifically, TRIPP LITE is not liable for any costs, such as lost profits or revenue, loss of equipment, loss of use of equipment, loss of software, loss of data, costs of substitutes, claims by third parties, or otherwise.

Use of this equipment in life support applications where failure of this equipment can reasonably be expected to cause the failure of the life support equipment or to significantly affect its safety or effectiveness is not recommended.

* No purchase necessary. Void where prohibited. Some restrictions apply. See website for details.

Warranty and Product Registration

FCC Notice, Class B; CAN ICES-003(B)/NMB-003(B)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications to this equipment not expressly approved by Tripp Lite could void the user's authority to operate this equipment.

WEEE Compliance Information for Tripp Lite Customers and Recyclers (European Union)

Under the Waste Electrical and Electronic Equipment (WEEE) Directive and implementing regulations, when customers buy new electrical and electronic equipment from Tripp Lite they are entitled to:

- Send old equipment for recycling on a one-for-one, like-for-like basis (this varies depending on the country)
- Send the new equipment back for recycling when this ultimately becomes waste

Tripp Lite has a policy of continuous improvement. Specifications are subject to change without notice. Photos and illustrations may differ slightly from actual products.
