REACH Regulation Declaration

REACH is a European Union regulation on chemicals and their safe use on products. This regulation deals with the Registration, Evaluation, Authorization and restriction of Chemicals (REACH) that affects producing, importing, using or placing products on the European market that does not contain any SVHCs (Substance of Very High Concern) over the 0.1% w/w threshold. The aim of the REACH directive is to ensure a high level of protection of human health and the environment that contain chemical substances into the European Union.

We, the undersigned, declare to the best of our knowledge that our products fully comply with the European Union's Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation Authorization, and Restriction of Chemicals (REACH); Candidate List 197

Additionally:

- ❖ Our products do not contain any of the Substances of Very High Concern (SVHC) above the specified concentrations, as defined in Article 57 and Annex XIV (including all amendments).
- ❖ Our products do not contain any of the restricted substances, as defined in Article 67 and Annex XVII (including all amendments).

We shall monitor all changes to this Directive and Annexes XIV and XVII, and ensure that our products continue to be Compliant with all future requirements and amendments.
